CASE NO. 2:20-SW-454-DB

ORDER

**UNDER SEAL**

20 The United States has represented that there exists an ongoing investigation into the narcotics  
21 trafficking activities of the parties named in the application and order, signed May 26, 2020, which  
22 authorized agents of DEA to install and monitor a tracking device in or on a 2016 WHITE NISSAN  
23 VERSA, with license plate 8ROZ764, ("TARGET VEHICLE"), for a period of 45 days.

24 The government has further represented that service of the notice required by Federal Rules of  
25 Criminal Procedure 41(f)(2)(C) would compromise the ongoing investigation by disclosing its existence  
26 to the targets.

27 Therefore, THE COURT HEREBY ORDERS that the time within which the United States shall  
28 be required to serve the notice shall be postponed for 90 days from the date of this Order.

1 Should the United States seek further postponement of the time within which it must serve the  
2 notice, it shall make further application to this Court.

3 IT IS SO ORDERED.
